PROVERBS 4:10–13 — WISDOM GIVES YOU A WAY TO LIVE

PROVERBS 4:14–19 — PAY ATTENTION TO WHERE THE PATH LEADS

PROVERBS 4:20–23 — GUARD THE SOURCE

Your heart is the command center of your life.

What gets repeated access to your heart can eventually begin directing your life.

PROVERBS 4:24–27 — WHAT'S INSIDE BECOMES YOUR DIRECTION

Your heart sets your direction long before your feet reveal it.

Practical questions I asked my teens to help them learn to FILTER:

How are your grades?

- Have them show you and walk you through every class. Don't say a word! This will help you understand their struggles and their strengths and teach accountability.

What is on your calendar this week/month?

- This allows me to see who the influences are in their life and allow for my own time management.

How are you directing your budget right now?

- This allows me to see my teens priorities.

Is there anything in your life you are finding challenging?

- A space to talk about hard things and often open the door for me to give guidance and show support.

What resources do you need to grow spiritually?

- Is there a Bible plan, video series, book, conversation with a pastor or spiritual leader.

How can I Pray for you?

- **Don't just ask...Do it!**
